Reid,

Thanks for tickling me. I agree that the document does not do what we intended. But when we comment back to SC&A we need to be specific. So this is what I propose are the problems that need to be fixed:

(b)(5) - Deliberative Process Privilege

These are the major problems that I see. If there is agreement on this, I will shoot this back to SC&A. I told them to schedule a conference call for this week, so we should see something soon.

Hi Brian,

I've looked at the draft report, and I also sent it to Angelique Diaz and Bob Duraski of Region 8 for their comments. We all agree on the following:
